Re: March 1st, 2015, Logan Airport Parking Space Inventory

Dear Ms. Kirby:

In compliance with the reporting requirements of 310 CMR 7.30 (3)(d), enclosed are the following March 1st, 2015, Massachusetts Port Authority (Massport) submissions for Logan Airport:

- Commercial Parking Space Inventory
- Employee Parking Space Inventory
- Location Map

The attachments provide the quantity, physical distribution, and allocation of commercial and employee parking spaces on the airport, as defined by 310 CMR 7.30, as amended. These inventory tables represent information provided by the Aviation Department; the employee and commercial space counts are supported by comprehensive field checks and counts recently conducted in late February 2015. We continue to provide information on rental car spaces as a courtesy.

Massport's parking program remains in compliance with the Aviation and Transportation Security Act of 2001 (ATSA) and supplemental FAA security directives, and our top priority continues to be the safe and secure operation of our transportation and parking facilities.

The Commercial Parking Space Inventory totals 18,415 spaces; the Employee Parking Space Inventory totals 2,673 parking spaces; the total inventory of spaces at Logan Airport is 21,088. The allocations within each of the categories had changes because of the recent relocation of the taxi pool, the relocation of the bus/limo pool, and construction impacting a hotel lot.

Demand for commercial parking at Logan Airport continues to be strong. While the Aviation Department deploys operational innovations to accommodate passenger parking demand, a broader strategic planning effort is underway to plan for ground access needs at future passenger levels. As part of this effort, Massport is planning to consolidate all remaining (i.e., designated)

parking spaces allowed under the freeze by adding to the West Garage structure located in the central terminal area.

The attached Logan Airport Parking Space Inventory reflects Massport's successful management of its parking program, within the requirements of 310 CMR 7.30, as amended. If you have any questions, please call me at 617-561-3425.

Sincerely,

Lourenço Dantas, AICP
